### Urban Development

## Antioch eligible for rehabilitation funds

Although the piece of the \$91,700 Urban Development pie that the Village of Antioch will receive "will not help Antioch an awful lot," according to Virginia Tobin, Lake County Housing Authority, at least it's something. The part of the village that is eligible for a

bit of this Urban Development Rehabilitation money starts at the intersection of Rtes. 173 and 83, heads east on Rte. 173, skirts around some unincorporated property and winds up back on Rte. 83.

## County board snafus trailer park rezoning

Employing the legal system is not always the easiest, shortest or cheapest way to settle a legal controversy.

So Martin DeFoor, owner of the Old Port Cove Marina and trailer park found out when he decided to use legal procedures instead of moving the trailers that were red tagged by the Lake County Zoning Board because of a zoning impropriety on five of the 25 acres he owns that house a resort and trailers.

The zoning controversy that started last spring was settled by the Lake County Board when it unanimously voted to deny DeFoor's request to rezone those five acres of Bluff Lake Rd. in Antioch Township.

Through an error the five acres were not zoned resort residential like the rest of the property making DeFoor's present use of it as a trailer park illegal.

DeFoor thought that it would be an easy process to have the property rezoned so that he could park up to 18 trailers there but ran

into much opposition from surrounding residents who sought to block anymore trailer parking in the area.

There are two other trailer parks in that part of the township.

After a three-month investigation, the Lake County Zoning Board of Appeals voted four to three to recommend approval of the rezoning request.

Then several meetings of opposing residents concerned with their property values took place before the building and zoning committee changed its original 60-day decision delay plans and recommended that zoning disapproved by the full county board.

Citizen pressure based on fear that a decision made after the Nov. 6 election might not be based of voter opinion is credited for shortening the delay.

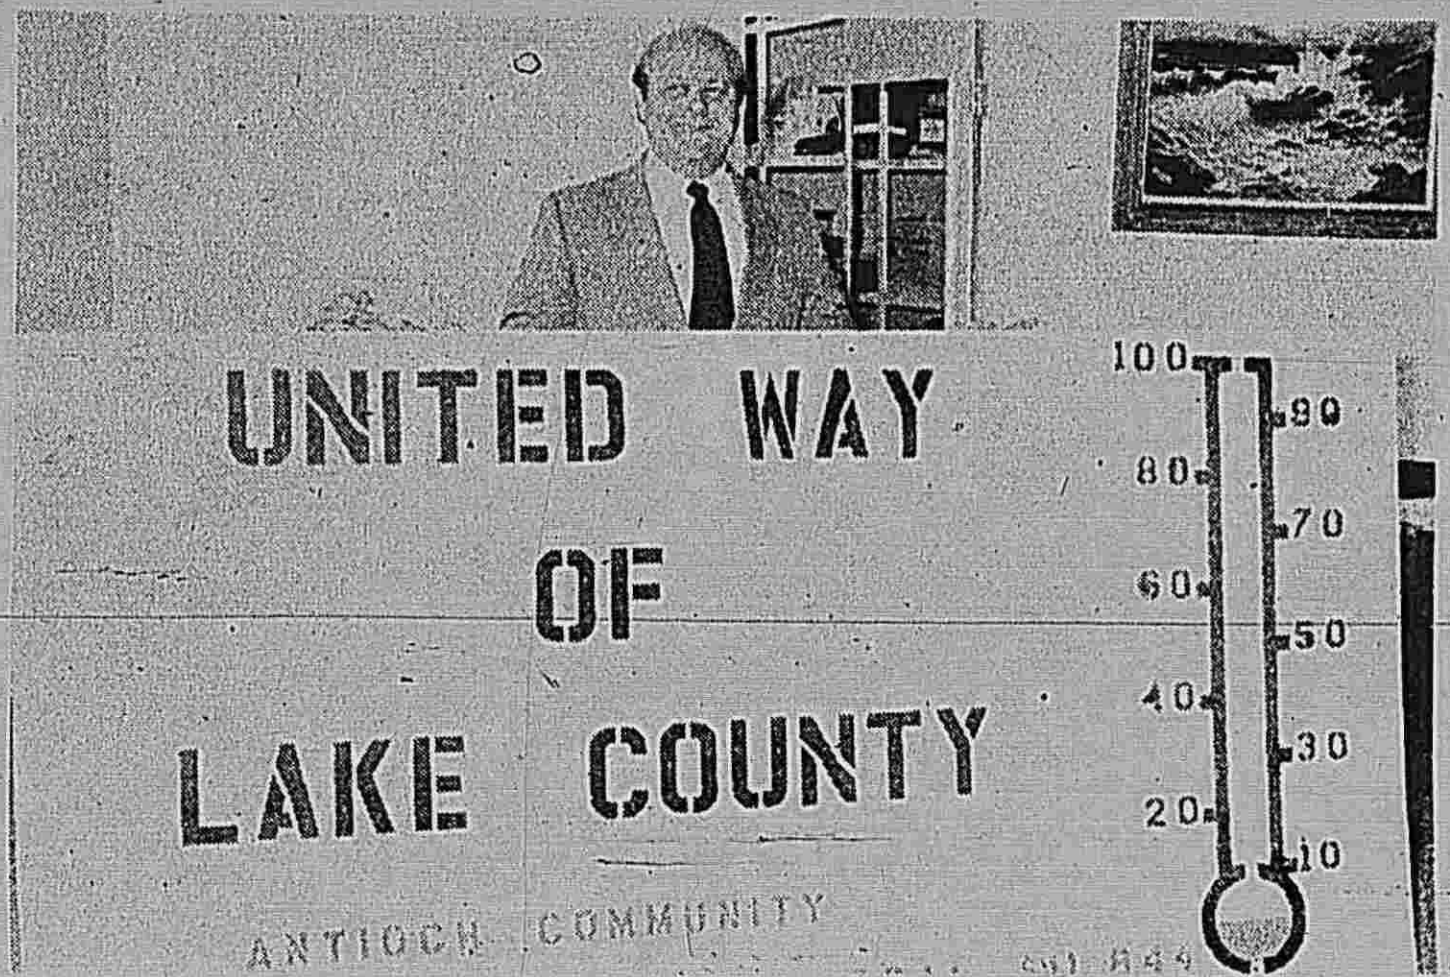

The Lake County Housing Authority has received approval of its joint application with the County of Lake to participate in the Department of Housing and Urban Development's Rental Rehabilitation Program which allows for the rehabilitation of approximately 18 units utilizing \$91,700 of Program money to assist rental property owners to upgrade their property in the target areas. The Housing Authority has also received a special allocation of Section 8 Certificates to assist low income families residing in the rehabbed units or, if vacant, to assist a very low income family from the Authority's waiting list who will be willing to move to the available unit.

## Teachers, board still disagree

Will the Antioch High School teachers go on strike?

Meetings are still going on between the teacher's negotiating team and the high school board with reports having some agreements reached but both factions are still a distance apart on salaries and benefits.

Last week the negotiators for the teachers were authorized to call a strike vote if necessary by the teachers' association.

## Antioch Boy Scouts to aid United Way

Antioch Boy Scouts will distribute posters to downtown businesses Tuesday and Wednesday, Oct. 16 and 17, to mark the beginning of the United Way of Lake County campaign in Antioch.

Paul T. Pavelski, president of Antioch Trust Company, is heading the 1984 local community effort which has a combined goal of \$11,844. Last year, the Antioch community achieved a total of \$9,700.

To record the progress of the local cam-

paign, a large wooden thermometer has been placed in front of the village hall. The drive in Antioch officially begins Wednesday, Oct. 17, and concludes Nov. 2.

Troop 80 is part of the Lakes District of the Northeast Illinois Council, Boy Scouts of America.

Edward Jahneke is the scoutmaster. The Council is one of 35 organizations which received a share of allocations derived from the annual, United Way campaign.

## Teen robbers get jail and 4 years probation

Joseph Summers, 18, Dean Miller, 17 and Diane Crawford, 18, all pled guilty to charges of the robbery of Foods Unlimited Store on North Ave. in Antioch.

Lake County Judge Jack Hoogasian sentenced Miller and Summers to 30 days in the Lake County jail and all three got four years probation for their part in the robbery in August.

A trial date of Monday, Oct. 29 was set for Larry Summers, 37, the man who allegedly actually committed the armed robbery.

Crawford was reportedly in the store with Summers and the other two were waiting outside.

The four were arrested immediately after the robbery in the parking lot by the Antioch police after the elder Summers crashed the get-a-way ice cream truck into a car behind which the younger Summers and Miller were hiding.

Crawford had been out on bond and the two male teens had already spent more than the 30 days in jail awaiting trial.

## Haleys ask dismissal

According to Assistant U. S. District Atty. Ira Raffelson of U. S. Atty. Dan Webb's office, William and Clem Haley of Antioch have filed a motion for dismissal of the federal indictments against them that include charges of drug trafficking and continual criminal practice.

A hearing on the dismissal motion will be held in front of U. S. Federal Magistrate Carl B. Sussman on Tuesday, Oct. 23, in a Chicago U. S. District Court.

Sussman will file a ruling on the motion and if he does not dismiss the indictments, trial dates for both defendants are expected to be set at that time.

Clem Haley has already pled not guilty at a previous hearing. William Haley is at present serving a mandatory three, possible 10-year sentence in a Florida prison after being convicted of drug trafficking in connection with the confiscation of a plane loaded with marijuana at the West Palm Beach Airport three years ago.

### Good news in The News

## Troop 92 to hold dinner

Antioch's Boy Scout Troop 92 will hold its 24th annual spaghetti dinner at the Antioch Moose Lodge, 884 Main St., from noon to 7 p.m. Sunday, Oct. 21.

This troop tradition has become the troop's primary means of financing campouts and fieldtrips. The chief chef, Dick Stroner, has headed the kitchen crew for a phenomenal 22 years and he will be assisted by Scoutmaster Bernie Dost and fathers of the scouts. The overall co-chairmen are Scoutmaster Dost and Troop Committee Chairman Harold Clark, both of whom are also in charge of procuring the food. Dick Weston is in charge of tickets, Harold Clark will run the raffle, Paul Hetich is house manager and Kent Ravens is co-chair of publicity with Hettich.

The "all-you-can-eat" dinner features spaghetti, meatballs, French bread, coleslaw, cake and beverage. Meals will be served by the Boy Scouts. Donations are \$3 per person and children under 6 years are free. Individuals who wish to purchase the meal on a take-out basis are required to bring their own containers. Tickets may be purchased at the door or from Troop 92 scouts.

The Troop 92 Mother's Auxiliary is sponsoring a drawing which includes such prizes as a bicycle donated by Antioch Schwinn and four tickets to the Sugar Bowl or the Orange Bowl (winner's choice), compliments of Corbin's Travel. In addition, there will be two \$50 savings bonds, donated by Antioch State Bank and First National Bank, plus other fine prizes.

For immediate seating, individuals are encouraged to come for dinner between noon and 5 p.m.; dinner will be served until 7 p.m.

## Letters To The Editor

Editor:

Election time is here! The voters of School District No. 36 have an important issue to vote on in the coming election Nov. 6. The proposed merger between Grass Lake and Lotus School will be on the last page of the ballot.

What I fail to understand is how this merger ever got on the ballot in the first place. The credit goes to the Grass Lake School Board which voted in favor of the merger, 5-2, in June of 1984. It doesn't appear to me that the school board members who voted in favor of the merger took into consideration the concerns and objections of the many people opposed to this merger.

The school board is elected by the people and should represent the voice of the people. I can't help but wonder how these same school board members who voted in favor of this merger, would have voted if they were up for re-election.

I also wonder if these same school board members will run again if the merger is voted in.

I'm concerned about the fast push to get this issue on the November ballot. Since there is no financial crisis to either district at the present time, why couldn't more time been taken to go over this issue with the residents.

Well, what's done is done! Now that the merger is on the ballot residents are finally being offered an "Information Session" at Lotus School, Oct. 15, at 7:30 p.m. A similar meeting will be held at Grass Lake School, Oct. 17, at 7:30 p.m. It will be interesting to see if the questions voiced will be answered to the residents' satisfaction.

To make matters more confusing, School District 36 residents will be voting in three different areas. If you vote at Emmons Grade School, your ballot will have a Co. 3 number on the bottom. You must enter the voting booth marked Co. 3. Gavin School will have a Co. 2 number and must enter a voting booth marked Co. 2. Grass Lake School voters is a Co. 3 and must enter a voting booth marked Co. 3.

If you don't get in the right

voting booth the Grass Lake/Lotus Merger will not be on the ballot booklet.

I hope this important issue will get all the voters out. Thank you.

Editor:

I am concerned with the lack of enforcement of the Antioch Sign Ordinance.

Although I am a businessman in the Antioch area, with a very simple wooden sign, I find it disturbing and regressive to abandon parts of the Antioch Sign Ordinance, that was very well thought out and well intentioned.

Driving through Libertyville, and then reading how Waukegan fees, it is necessary to establish a sign ordinance, to improve the quality and enhance the beauty of (remove some obnoxious signs that are eyesores) their towns.

I hope Antioch does not retreat and ignore some of the well thought out parts of the present sign ordinance, that has been well researched by the original sign ordinance committee.

## Ruggles will get new trial

Lake County Judge Fred Geiger has set aside the original verdict brought against Robert Ruggles by a Lake County jury.

The verdict of guilty of attempted murder but mentally ill was set aside by Geiger who was expected to make a decision on the reinstatement of Ruggles' bond and set a date for a new trial on Oct. 12.

Ruggles was charged with the attempted murder of his father-in-law John Misk after he shot him a year ago while blaming him for the break-up of his marriage.

Testimony was heard at Ruggles' trial in September concerning his personality change since he suffered a stroke two years ago.

## McHenry locks to close

The McHenry Lock, located in the Fox River near McHenry, will close to all boat traffic for the winter season at 11:30 p.m. local time on Wednesday, Oct. 31.

Up until closing date and time mentioned above, hours of operation for the lock will continue as before, namely, 8 a.m. to midnight, seven days a week.

The closing date above has been chosen so that routine maintenance and preparations for winter can be accomplished before the onset of freezing weather.

A timely opening is anticipated in the spring of 1985, and another season of service to the boating public on the Fox River and Chain-O'-Lakes is looked forward to.

Frank Novak, Lock & Dam supervisor would like to take this opportunity to thank all

of the boating friends for their cooperation during this year's boating season. He would also like to recommend that all boaters use the winter off-season to further their knowledge of boating safety by completing one or more of the many fine courses

conducted by the various boating organizations in this area.

The McHenry Lock is operated by the Illinois Dept. of Transportation, Division of Water Resources. There is no charge for boats using the lock.

## Schedule dental meeting

The October meeting of the Lakes Area Dental Assistants Assn. will be held Wednesday, Oct. 17 at the Dutch Arbor Restaurant in Antioch.

Cocktails will be served at 6:30 p.m. and dinner at 7 p.m., followed by the meeting at 8 p.m.

Sue Wunderlich from College of Lake County will speak on "Dealing with Stress" in the dental office.

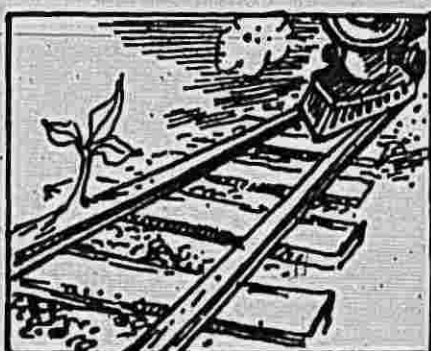

For further information or reservations contact Louise Stephens at (312) 395-5241.

## AARP to hear Fields

The Antioch Area Chapter 387 of the American Assn. of Retired persons (AARP) met on Oct. 9. The White Elephant sale and raffle was a big success.

Oct. 23 is the next meeting and Jim Fields, Antioch Township supervisor will be the guest speaker. It is our Halloween Party, so come in costume. Prizes will be awarded for best costume also for funny hats. This will be a catered lunch.

Some tickets are still available for the Christmas Tree House, lunch and Time Museum Tour on Nov. 9.

## When I think about it

## You can throw balls and fits but you can't throw away!

by GLORIA DAVIS

Before all the pollution controls and the landfill problems, the local dumpsites used to be a sort of rummage shopping area.

Remember when you could take something to the dump and chances were that you might find a few usable discards while you were there.

But those days are gone forever for most people. Those that live in some areas can purchase a sticker allowing dumping at a particular disposal area on certain days.

Some municipalities that pay for a commercial garbage pickup have included large items like old appliances or furniture in the pick-up.

But the way the antipollution rules forbid burning and dumping in many places, people who have a lot of refuse, the kind resulting from a house move or such, find throwing things away a costly project.

There's always a garage or yard sale but most people find that they have a least half of the items they want to get rid of left after it's all over.

Somebody else's trash is not always someone else's treasure!

A lot of the community charitable organizations are demanding items in almost perfect shape before they will accept them, so that can rule out things like that broken kitchen stool and those stained baby clothes.

I recently ran into this problem while trying to move my mother from a three-floor home full of 50 years of acquisitions, to a four-room apartment.

First we moved the things she wanted to take to the apartment, that only left two-and-one-half floors full of "things."

Then the "kids" took what they wanted from the leftovers, that left two-and-one-fourth floors stacked with "whatever."

We rented a large dumpster for \$150 and inside of three exhausting days that was filled to overflowing, leaving only one-and-one-half floors of possessions.

Then came the yard sale and after two long long days of hauling things in and out, we found that she was \$200 richer, minus of course the \$150 for the dumpster and we only had

one floor stacked with useless memorabilia to go.

Where she lives burning of anything is forbidden at all times. They pick up large items once a year during spring cleanup and there is no scavenger service.

Now I realize we still had the alternative of burying what was left. Since the floor that was piled with the leftovers measured 20 by 40 feet, we figured such a burial would have necessitated our digging a six foot hole that size.

Commercial excavation was out of the question so we were stymied.

What do you do with a worn-out studio couch no one wants, a three legged chipped buffet or a scared chrome and formica dinette set with ripped plastic seats etc.?

We thought of chopping-up the wooden articles and burning them piece by piece in our fireplaces but none of us has a fireplace.

Anyway, formica and chrome wouldn't burn!

Visions of a mass spreading of lye over everything danced through our heads but we decided that there must be some pollution law against that.

Chopping everything up and mailing it to our enemies in pieces was another thought but that too proved to be too expensive.

Let's face it there is some garbage you just can't throw away!

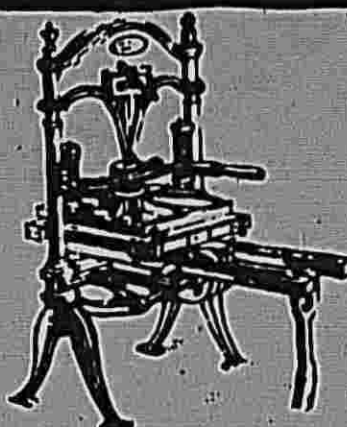

Maybe modern technology has made our lives easier in some ways, acquiring new items gets easier and easier but getting rid of the old is getting to be almost impossible!

The only solution we came-up with was to split all the leftovers between the "kids," each having the responsibility of their disposal.

By the time we left with our stacked cars resembling the one owned by the "Beverly Hillbillies," the house was finally empty.

It won't be so bad, I figure if I break apart everything I brought home and slip it piece by piece in with the coffee grounds and the egg shells, it should all be disposed of by the year 2,000.

Meanwhile, how do you like that three-legged buffet I have standing in my hallway, different isn't it?

## The Time Machine

FIFTY YEARS AGO: Oct. 18, 1934

Freezing weather was predicted for the Antioch area. Former pastor of St. Peters, Rev. Daniel Frawley was raised to the title of Right Rev. Monsignor.

Spring bridal wreath was found blooming at the home of Anna Kelly.

Another vaudeville show was being featured at the local theater.

Residents of Antioch were still attending the Century of Progress in Chicago.

Gambles had a tire sale featuring automobile tires for \$3 and \$4.

MariAnne's was featuring new sports jackets in all the new fall shades for \$3.98.

Soo Line employees had a surprise party for Andrew Lynch at his home.

A change in the "Pledge of Allegiance," to a more simplified version was ordered in the grade schools by the county superintendent. The change no way resembles what is being used in the schools in 1984.

THIRTY YEARS AGO: Oct. 21, 1954

Antioch High School's homecoming attracted 1,500 people, the largest crowd to date in homecoming history.

The congregation of the Antioch Methodist Church voted to sell the parsonage on Main St..

A free turkey party with every and anyone invited was sponsored by the Lake County Tavern. Owners Assn. and held at the Four Aces on Rte. 173.

Postmaster Richard Kufalk issued a warning that molestation of mail boxes was a federal offense in lieu of Halloween pranks.

The Grass Lake Cub Scouts had a treasure hunt. The local VFW Post started donating patriotic items to the Antioch schools.

Mrs. Earl Fager had an anecdote about her maternity stay in the hospital published in "Life In These United States" in the Readers Digest.

TEN YEARS AGO: Oct. 23, 1974

Barb Egan, Cinde Francke and Linda Kasik were all nominated for Antioch Homecoming Queen.

The Jefferson Ice Gas Station was robbed of \$1,400 at gun-point.

The Antioch Township Republican Club endorsed Ronald Coles, Lloyd E. Murrie and George Bell for the Lake County Board.

Laverne Woods and County 4-H Queen Cindy Russel were busy with the First National Bank's pancake breakfast.

Arnold and Mabelou Weber and June and Jane Hunter spent two marvelous weeks in Hawaii where they ran into ex-Antioch minister, Rev. Lorin Messersmith and his wife.

Goldwater was running for President. Janet Brook was busy with the Cancer Society way back then.

"The Effect of Gamma Rays on Man in the Moon and Marigolds" was the latest Antioch High School drama club production.

## Along the way with ANNIE MAE

Belated anniversary congrats to Betty and Ken Smouse.

And a happy birthday to one of Antioch's best cooks, Peggy Van Patten.

LaDonna May of "Here's the Scoop" called to say that one of those Ma and Pa restaurants that Antioch News Editor Gloria Davis is looking for is right here in town.

According to LaDonna, the Scoop serves homemade soup, luncheon specials just like Mom used to make as well as homebaked brownies etc. now and then.

LaDonna says that her soup has become so popular she's thinking of changing the restaurant's name to "Here's the Soup."

How about "Soup and Scoop," La Donna?

Speaking of homemade food being served in restaurant's, Margie down at Lakeside doesn't do too shabby of a job with her soup and some of her special recipes.

Now that the Antioch Jaycees have gone coed, congrats to new Jaycee members, Tammy Goodwin, Craig Trudell, Jin Bischoff, Diane Schmidt, Dave Corso and Mike Kirkpatrick.

I hear it was a big two weeks for the Limerick Lounge's Al Anderson. To start off right, his wife Kathy presented him with a nine pound, nine ounce baby girl named Angela Rae.

Then Al was the mystery guest roasted at "My Brother's Place" on Rte. 173. Owners Brad and Bill Smith even brought in one of Al's "old" girlfriends, "a real live buffalo!"

Al came to the event thinking that he was going to roast Bob Deimer but guess who got the last laugh, Emcee Diemer!

Joe Bedame is celebrating somewhat of a record. He has been in the restaurant business at different locations in Antioch for 25 years.

## Jaycees search for citizen

A leader is an individual who stands above his or her contemporaries and the Antioch Jaycees are looking for such a person. This award is presented to a young man or woman, between the ages of 18 and 35 inclusive, who has contributed greatly to and for the Antioch Community.

He or she must be a resident or have a business interest in Antioch Township.

The Jaycees would appreciate assistance in helping them find and recognize the worthy individual.

All nominations must be postmarked no later than Nov. 9. Send nominations to Antioch Jaycees c/o Dr. Vito Giuseffi, 395 Orchard St., Antioch, IL 60002.

## Engagement—

**Tina M. Otrusina and Thomas E. Scott**

### Otrusina—Scott

Ten months after his Christmas Eve proposal, Tina Marie Otrusina of Ingleside will marry Thomas Edward Scott of Ingleside on Saturday, Oct. 27. She is the daughter of Richard and Carol Andrews of Antioch, and he is the son of Howard and Roberta Scott of Lake Villa.

Good Sheppard Lutheran Church in Lake Villa will be the site of the afternoon ceremony.

The bride-to-be is a 1978 graduate of Antioch Community High School and is employed as alumni secretary at Lake Forest Academy-Ferry Hall in Lake Forest.

Her fiancé is a 1978 graduate of Grant Community High School and owns Tom Scott Enterprises.

They will continue to live in Ingleside.

**Terry Anne Simon**

### Simon—Taylor

Sharon Simon of Burlington, formerly of Antioch, announces the engagement of her daughter Terry Anne Simon to Keith Taylor of Fox Lake.

The bride-to-be is a 1982 graduate of Central High School and is employed as a secretary at the Americana Lake Geneva Resort. She is the granddaughter of Mr. and Mrs. Don Gibbs of Antioch.

The groom-to-be is the son of Mr. and Mrs. Robert Gerstein of Lakeland, Fla. He is a 1977 graduate of Grant High School in Fox Lake and is a mail carrier in Barrington.

## Smoking, clinics to be held

Stop smoking and weight-control hypnosis clinics will be held again in the Lake County area.

The Lake County Lung Assn. is once again providing the opportunity for local residents to "reprogram" their emotional subconscious minds to make positive life changes.

Nationally known self-help expert and Clinical Hypnotist, John Greer said, "Your intellectual mind already knows you shouldn't eat too much and that smoking is bad for your health. But people still keep overeating and puffing on cigarettes. The key is to get the emotional part of your mind to agree with what your intellect already knows."

Nicotine addiction is not the only thing that keeps smokers from kicking the habit Greer said. "The psychological hook is the biggest obstacle. The chemical addiction is withdrawn from your system in three to five days. The psychological addiction can take much longer, and that's how hypnosis helps."

Emotions also control a person's eating habits, Greer said. "Like smoking, eating feels good. We learn as young children to associate eating with our most pleasant experiences. Our minds need programming to get our subconscious to believe that all sweets are not rewarding; and it's not sinful if we don't eat every bite on our plates."

During each clinic participants will learn deep relaxation through three hypnotic inductions. A cassette tape and literature will be provided for home use to reinforce the hypnotic suggestions given by the hypnotist.

The clinics will be held at the Sheraton-Waukegan Inn—200 N. Green Bay Rd. on Nov. 2. The smoking clinic at 6 p.m. and weight loss at 8 p.m.

## Set Chamber general meeting for Oct. 16

The Antioch Chamber of Commerce and Industry will hold a general membership meeting, on Oct. 16 at 7:30 p.m. at the Antioch Moose Lodge on Main St., Antioch.

First on the agenda will be a special presentation to introduce the all new Christmas promotion; that will not only bring people to the downtown retail shops, but also put non-retail members names up in lights. Input will be needed to make this the best "Old Fashioned Christmas" in Antioch.

This will be followed by an exciting panel

discussion from the Lake County Crime Stoppers Organization which wishes to inform Antioch of its program, progress and the program's benefits to this community, business and residential.

The "New Chamber of Commerce" has made positive directions in 1984. There is a new logo, there have been successful projects and because of the ongoing support from the members, the chamber has been brought to a sound financial position.

## Big Brothers/Sisters in need of volunteers

Last December, when the first match was made between Big Brother Stan Pasiewicz and Little Brother Duke, the board of directors, staff, and the community were excited.

Now, nine months later, Big Brothers/Big Sisters of Lake County has reached another milestone. September saw the 25 match between a Big and a Little.

With 25 matches now under their belt, the Big Brothers/Big Sisters Program must conquer the

next milestone.

There are over 50 children waiting for the guidance and friendship that a Big Brother or Sister could give.

Children from single-parent families sometimes encounter pressures brought on by their family structure. Big Brother/Sister volunteers share a little of themselves with the children while they develop a friendship with them.

A volunteer need only spend 3-5 hours a week with one of the children doing activities that vary according

to interests, but range from going to a movie, watching the Cubs, playing ball, window-shopping, cooking, to simply talking.

Do you have three to five hours a week to include a child in your activities?

Are you a single-parent with a child between the ages of 7 and 15 years old?

Call the Big Brothers/Big Sister Program at (312) 360-0770 to find out more about the program.

Give a child the chance of a lifetime!

## Women plan bazaar

The ladies of the United Methodist Church of Antioch have been busy preparing for their annual Christmas Bazaar being held Oct. 20 at the church on North Main St.

Lucile Eberman and Dorothy Longly, co-

chairmen of the event, say there will be an old fashioned Fish Pond for the children, a candy and bake sale and a White Elephant booth as well as many charming hand-made Christmas decorations and gift items.

Coffee and cake will be served from 9 to 11 a.m. Louella Andersen and Jane Pederson will serve a lunch of hot chicken casserole, salad, hot muffins, coffee and dessert from 11 a.m. until 1:30 p.m.

There were at least 52 musicians in the family of famous composer Johann Sebastian Bach

Combustion chamber deposits have long been recognized as a cause for engine knocking. Recently, it was discovered that intake port deposits contributed their share to the problem. Now, researchers at Shell have found an answer. It's a patented new gasoline called SU 2000™. By reducing those critical deposits, it lowers engine octane requirements and helps engines run more efficiently while helping to eliminate knock.

## Husband, wife teach classes

Barbara and Richard Antisdell of Antioch, have recently become childbirth educators affiliated with the American Academy of Husband-Coached Childbirth.

After intense training in prenatal care and infant births, the Antisdells are the first Bradley Method teachers in Northeastern Lake County. They are qualified to teach expectant couples the art of natural childbirth.

Part of the Antisdells' training and success with the Bradley Method came from their own daughter's birth without drugs and without medical intervention at Ketchikan General Hospital in Alaska.

The Antisdells have recently moved here from Alaska. They underwent more formal training both there and in San Francisco.

The Bradley Method of Husband-Coached Childbirth was the first method to advocate the presence of the husband at birth over 35 years ago. This method differs from others in its emphasis on prenatal nutrition for two, relaxation, natural diaphragmatic breathing, exercising for birth fitness, positive communications, consumerism, and no medication unless absolutely necessary.

These practices ensure the

health and safety of both the mother and the child and promote a relatively painless birth.

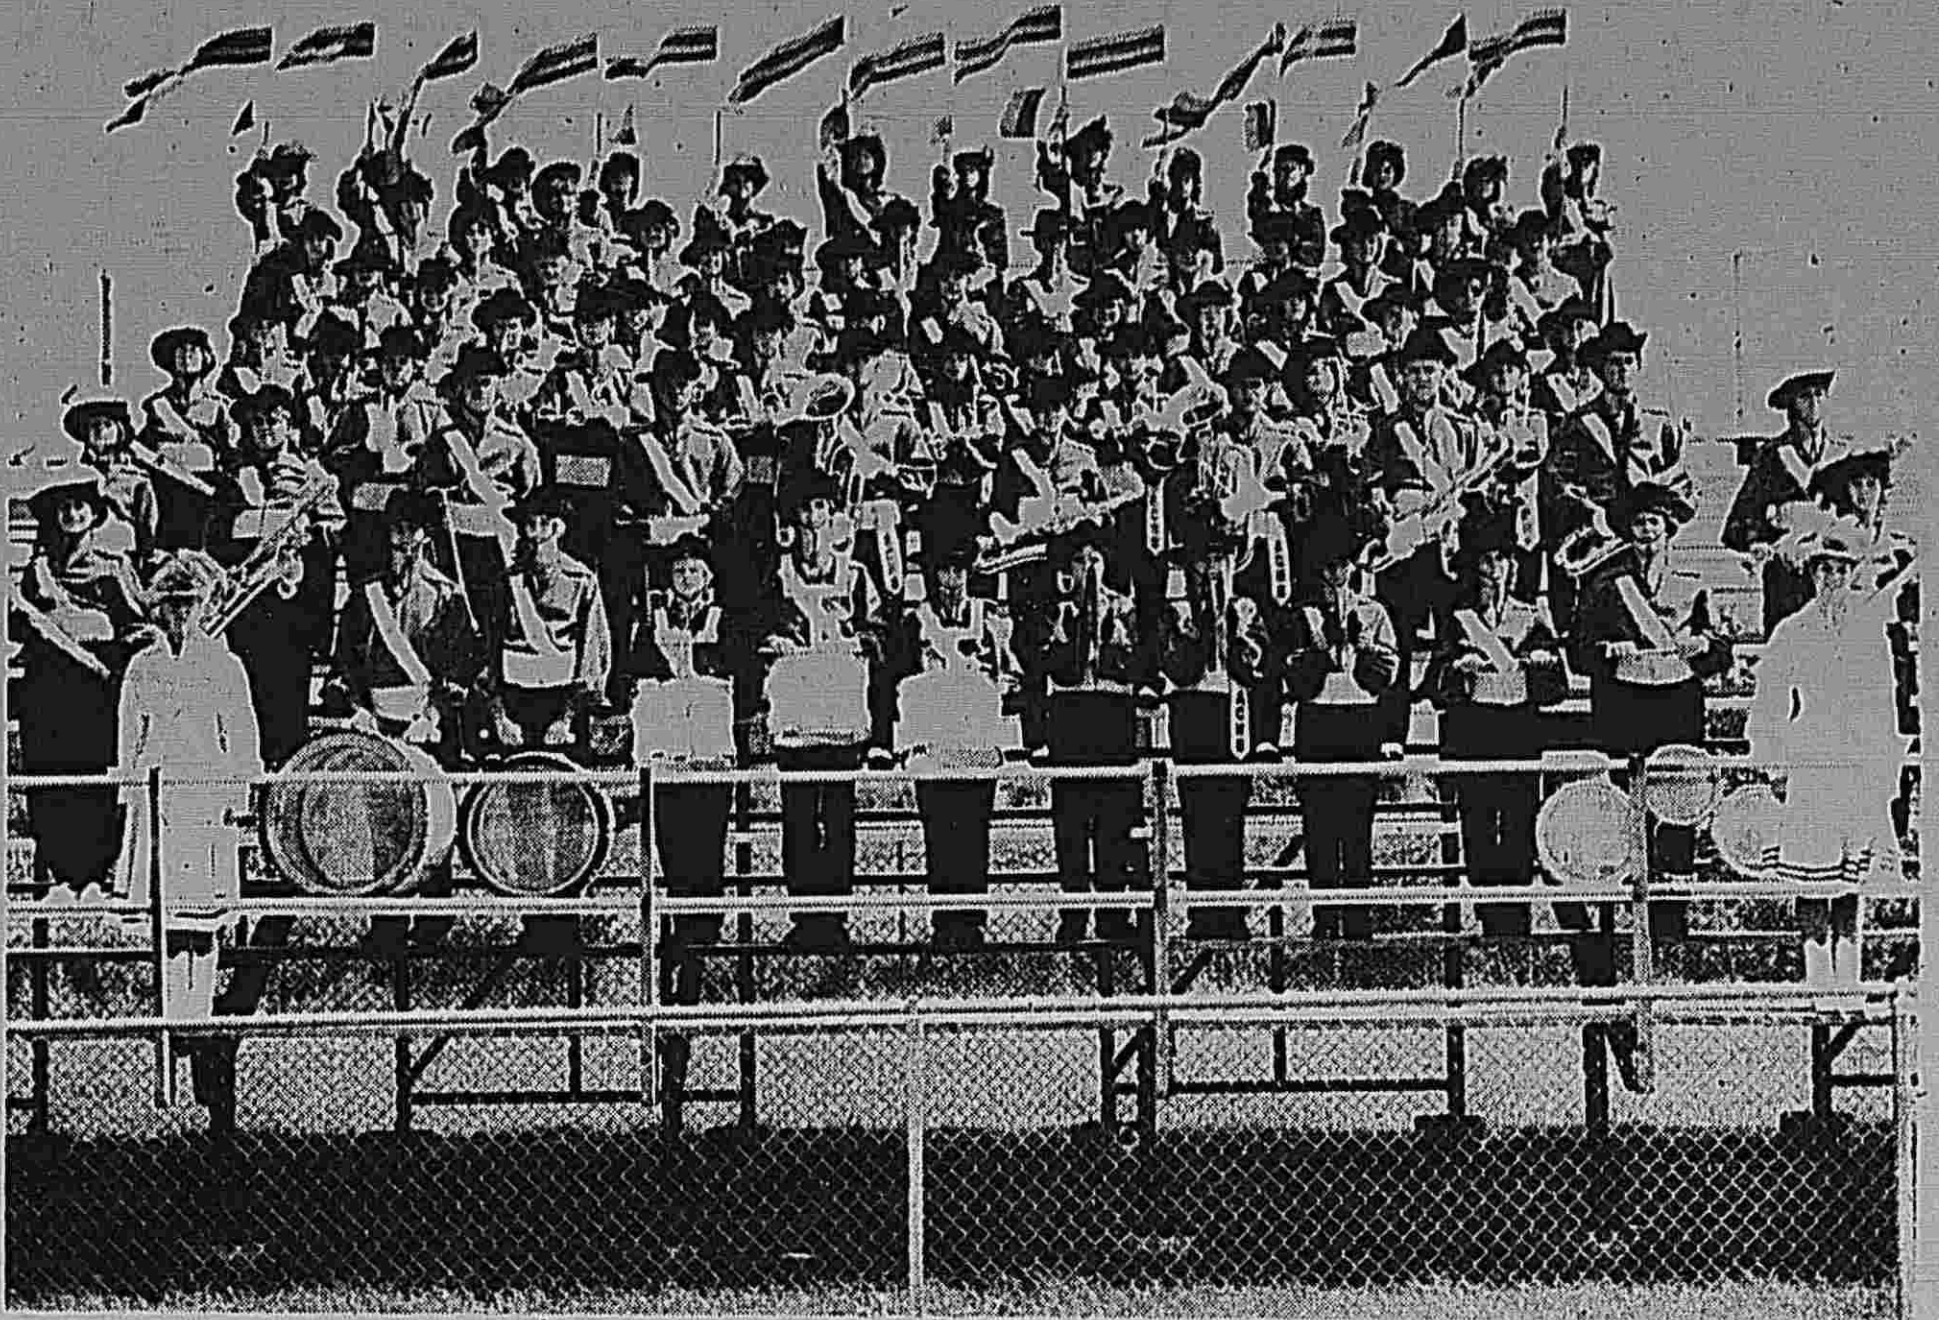

Bradley Method teachers strive for at least 90 percent spontaneous, unmedicated births. Dr. Bradley himself has surpassed this figure in over 30 years of practice with a zero maternal mortality rate despite many high risk patients.

The series of 12 Bradley Method classes is taught nationwide and also abroad. The course has been enthusiastically lauded by such celebrities as Donald Sutherland.

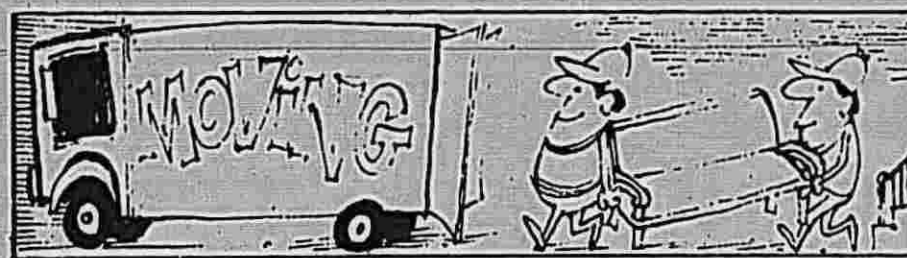

Couples should begin these classes in their sixth month to ensure completion prior to the birth. After the 12th week, couples who are still expecting continue to attend classes for free in order to be well prepared for the birth.

Couples who desire training prior to the sixth month may enroll in an "earlybird" series of four classes at no extra charge. Locally the 12 week series of classes will begin on Thursday, Oct. 11 from 6:30-8:30 p.m. at DJ's Fitness and Tanning Center in Antioch. A new series will be scheduled monthly.

For more information about classes or to arrange for a film showing, call Barbara or Richard Antisdell at (312) 395-5722.

**SEQUOIT MARCHERS TO COMPETE** — Members of the Antioch High School Marching Band will vie in closing competition on Sunday, Oct. 21 in Franklin Park at the East Leyden High School Parade at 1 p.m.

## Scouts to hold confab

"Meeting Challenge Head-On" describes the theme of Illinois Prairie Girl Scouts' Annual Recognition Dinner, scheduled for Monday, Nov. 5, at the Marriott Lincolnshire Resort. Guest speaker Reid Lewis, noted historian and educator, portrays Robert Cavalier de La Salle in a re-enactment of La Salle's 1681 expedition, climaxing the evening of awards to outstanding volunteers.

"Adult Girl Scout members come from 43 different towns in northwest Cook and Lake Counties. This social event provides a yearly opportunity to meet, share experiences, and recognize special members and friends," says Board President

Shirlene Arnett. "This year's theme is perfect for Girl Scouts. We're great at meeting challenges."

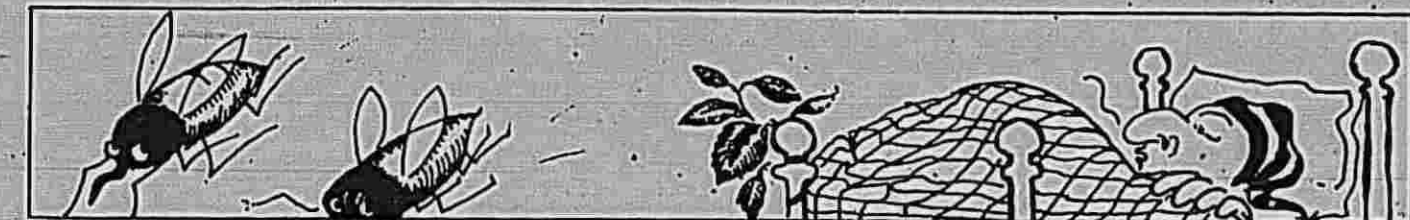

To inquire about tickets, please call the Girl Scout Centers at (312) 640-0500, (312) 223-1155, or (312) 249-5830.

## Rehab

(Continued from Page 1)

This will include some apartment buildings in the area.

More detailed descriptions of the target areas are available at the Authority's office. Properties must require a minimum of \$600/unit to correct substandard conditions. Current tenant may not be permanently displaced.

Owner must contribute at least 50 percent of required rehab cost. Not more than \$5,000/unit of public monies per project will be authorized irrespective of owner's per unit expenditure.

After rehab, unit must meet Section 8 Existing Housing Quality Standards and the local municipal code. If funds permit, owners will be allowed to cure problems of functional obsolescence and energy in efficiency.

Technical assistance will be provided by the Authority. Rehab financial assistance will be made available through the use of an interest-free deferred payment loan. This financial assistance will enable operating costs, debt retirement and reasonable investor profits to be achieved at market rents for the target areas. Applications will be accepted beginning Oct. 15.

## Offers medical referral

As a service to the community the referral service of the Lake County Medical Society will provide the names of family doctors and other specialists who are accepting new patients whose

problems are not urgent medical emergencies.

Information is available through the society on a physician's medical training, office location, hospital affiliations and specialty.

The medical society, headquartered in Libertyville, is a not-for-profit professional association first established in 1903. Calls are accepted during weekday business hours.

## Nursing Seminar

"Preparing Today for Nursing Tomorrow," a seminar scheduled for Oct. 18 from 8 a.m. to 4 p.m. at Lake Forest Hospital, will help nurses deal with changes in their profession.

The featured speaker is Ingeborg G. Mausch, a widely published author who had been a clinical instructor, nurse advisor and consultant. The seminar will include discussions on the past contributions of the nursing profession to the development of health care, and tips on preparing for new directions in nursing. Ethical dilemmas and building self-help networks among colleagues will also be explored.

The program is open to staff nurses, supervisors, nursing administrators and student nurses. The tuition is \$45 for nurses and \$25 for students. Seven CEUs have been applied for from the Illinois Nurses Assn. The seminar will be held in the Conference Center of Lake Forest Hospital, 660 N. Westmoreland Rd., Lake Forest. For more information, contact Florence McMillan, RN, at (312) 234-5600, ext. 6700.

## Sequoits loose to Zion, offense buckle costly

The Sequoit varsity grid-ders are hoping to regenerate their offensive tactics before they meet their arch-rival Warren on Saturday, Oct. 20.

Antioch has done well against Warren no matter what the team rankings have been, winning four out of the last five games against the Blue Devils.

But Antioch hasn't crossed the goal line in the last two games and Coach Steve Wapon will be trying to correct the problems that have caused Antioch to drop from the top of the North Suburban Conference to a third place tie with Stevenson, both with a 4-2 record.

According to Wapon, Antioch made two big mistakes, both allowing touchdowns, during the Oct. 13 game against Zion, which caused the Sequoits to bow to the ZeeBees, 13-0.

Antioch started the game off on the wrong foot when they lost the opening kickoff of the game by fumbling and letting the ZeeBees run the ball 15 yards for their first touchdown.

The second game-costing mistake came in the fourth quarter, with three-and-one-half minutes to go, Dane Alexander of Zion intercepted a pass from Quarterback Mike McGrain meant for Pat Bruks and took it 55 yards for the clinching touchdown.

"We moved the ball sporadically but were never able to get across the goal line," lamented Wapon.

Wapon went on to say that the Sequoits had bogged down defensively for the last few games. He added that going most of the game with an inexperienced sophomore quarterback, Mike DoBosh,

might have been part of the problem. Wapon said DoBosh did well but needed much more playing time.

Senior Quarterback McGrain, who had been out with injuries, came in in the final quarter to try and spark-up the offense but that effort failed.

"Defensively we played our hearts out," added Wapon, giving due credit to linebackers Bob Johnson, who blocked the point after touchdown in the fourth quarter, and Larry Rodgers who made an interception.

"Our defense limited the ZeeBees to five first downs in the entire game but you don't get points for that," said Wapon. Antioch had 11 first downs but couldn't get across that goal line.

After Warren, the Sequoits will face Stevenson and Niles North.

## Obituaries

### Irene E. Sterba

Funeral services with Mass of Christian Burial for Irene E. Sterba, 72, of Antioch were held on Tuesday, Oct. 9, at St. Peters Church, Antioch.

Sterba died on Friday, Oct. 5, at American International Hospital, Zion. She was born on Oct. 29, 1911 in Chicago and had lived in Oak Lawn and Burbank, Ill. before moving to Antioch nine years ago.

She was a member of St. Peters Church in Antioch and was also a member of the C.S.A. Club Bohemian Lodge in Chicago.

Survivors include her husband, Joseph J. Sterba; one son, Owen Sterba of Antioch; two daughters, Joibeth (Ron) Dumont of Hollywood, Fla. and Marylu Chrenovsky of Milwaukee, Wis.; one brother, Arthur (Irma) Sedlacek of Berwyn, Ill.; three sisters, Evelyn Nemec of Justice, Ill., Betty (Richard) Stepina of Stickney, Ill. and Emily (Frank) Sobkowiak of Evergreen Park; and one grandchild.

Interment was at Mt. Auburn Cemetery, Stickney, Ill.

### Kathleen Elfering

Kathleen M. Elfering of Antioch has joined Midstate Airlines of Stevens Point, Wis., as a station agent. She received her education at Southeastern Academy, Kissimmee, Fla., which offers specialized career training in travel-tourism.

### Carousel

Area seniors are invited to attend the play "Carousel" at Marriott's Lincolnshire Theatre on Nov. 14. A bus will leave the Antioch Area Senior Center at approximately 12:30 p.m. and return at 5:30 p.m. Reservations are necessary.

# Why electric heat pump owners have second thoughts when the weather gets cold.

For people who bought electric heat pumps, cold weather can be bad news indeed.

Because heat pumps lose capacity as the outside temperature drops. At some point, usually right around freezing, they need help from a backup heating system. Usually, it's electric resistance heating, so you end up heating your home with one of the costliest heating systems just when the weather gets really cold.

In contrast, gas furnaces and boilers have no trouble coping efficiently with severe winters. Whatever the outside temperature, the new high efficiency models can continue to squeeze up to 95% of the available heat out of every cubic foot of gas. So you're getting maximum efficiency to minimize heating costs in bitter cold weather.

Another argument for a gas furnace or boiler is the cost of natural gas itself. Today, it's the least expensive fuel available in this area, and current forecasts indicate it will continue to maintain a strong competitive advantage for years to come.

If you're thinking about adding to or replacing your home heating system, we strongly suggest you go with natural gas.

It's the only way to be sure you won't be having second thoughts when winter comes to Illinois.

## Weddings

Mr. and Mrs. John Davis

### Ware—Davis

Antioch is home following the summer wedding of Deanna Ware, daughter of Harlan and Dorothy Ware of Antioch, and John Davis, son of Dorothy Davis of Lake Villa. The two were united in marriage at the United Methodist Church of Antioch by the Rev. Stephen W. Williams.

The bride wore a gown of crystal-like organza graced with hand-sewn pearls and silken embroidered motifs. The full skirt, attached to a satin basque bodice, fell to a cathedral train of three petals. The long net sleeves and the skirt were sprinkled with tufts of organza.

Shirley Fosmark, formerly of Antioch, traveled from Fullerton, Calif., to perform the duties of maid of honor. Lori Jo Rush and Ruth Mapletorpe, both of Antioch, and Betty McCaughey of Gurnee completed the bride's party.

Gentleman attendants were Glenn Davis of Antioch, brother of the groom, as best man and Ray Krewer of Lake Villa, Glenn Hedmark of Palatine and Nicholas Lynn of Springfield.

Brothers of the bride, Michael Ware and Alan Ware served as ushers.

The new Mr. and Mrs. Davis received guests at Maravela's in Fox Lake. They traveled to St. Maarten, N.A., for their wedding trip.

The bride is employed at GreatAmerican Federal Savings in Oak Park. Her husband is employed by A.J. Fritz Companies, Bensenville.

### Zeien—Paddock

Two Antioch Community High School graduates were united in marriage Sept. 23 at St. Peter's Catholic Church in Antioch.

Karen Zeien, daughter of Mr. and Mrs. Joe Zeien of Antioch, and Richard Paddock Jr., son of Mr. and Mrs. Richard Paddock Sr., were united in marriage by the Rev. Robert Tonelli.

Kristen Zeien served as maid of honor for her sister. Sister of the bride Kathleen Zeien, sister of the groom Laurie Paddock and Dawn Trusky completed the bride's party.

Gentleman attendants were Steve Denny as best man, cousin of the groom Keith Paddock, Jim Andersen and John McCarthy. Kenneth Paddock, brother of the groom, served as usher.

The new Mr. and Mrs. Paddock received guests at the Harbor Ridge Country Club and honeymooned in Wisconsin. They are at home in Lake Villa.

The groom is employed at Ace Hardware in Antioch.

## Erosion Seminar To Be Held

On Wednesday, Oct. 31, the Lake County Soil and Water Conservation District and the Lake County Dept. of Planning, Zoning and Environmental Quality, will jointly sponsor a seminar on Urban Soil Erosion and Sedimentation Control.

This one-day course provides a general overview of the soil erosion and sedimentation process, and the methods, both structural and non-structural, of controlling this problem.

Various speakers will make presentations covering such topics as the Erosion and Sedimentation Process and Principles of Control, Fitting Erosion and Sedimentation Control Plan and Plan Approval and Enforcement.

This seminar will expand

upon information provided in the "Greenbook," a publication titled "Procedures and Standards for Urban Soil Erosion and Sedimentation Control in Illinois." This manual developed in 1978 by the Northeastern Illinois Soil Erosion and Sedimentation Control Steering Committee, in conjunction with the upcoming seminar, is intended to assist land developers, planners, engineers, and municipal officials and staff in the effective control of soil erosion during development.

The seminar will be held at the Renwood Country Club in Round Lake Beach and will last all day.

For further information and advance registration forms, contact Mark Bolton or Jeff Koziel at (312) 223-1056 or (312) 223-1057.

## Ask Dr. Sven

by Robert T. Sven B.S.D.D.S.

### TONGUE BRUSHING

**Q.** Is there any reason to brush the tongue when brushing the teeth?

**A.** Yes, indeed. The tongue, with its little ridges and grooves, is an ideal hiding place for tiny food particles and bacteria. These contribute to plaque formation on the teeth and the growth of bacteria and toxins responsible for tooth decay and gum problems, as well as the bad breath that can accompany these.

By gently brushing the tongue at night, you help to remove these food particles and the bacteria, and the damage they can do while you sleep; brushing it in the morning gives your mouth a clean freshness to start the day.
